tfedwards@mac.com <https://www.toddfedwardsdesigns.com>

Education:

The University of Southern Mississippi Hattiesburg, MS 39401

MFA in Theatrical Design and Production, emphasizing scenic and lighting design.

Member of the National Association of Schools for Theatre. 1999 Graduate.

Jacksonville State University Jacksonville, AL 36265

BA in drama. Minors in Art and English.

Member of the National Association of Schools for Theatre. 1996 Graduate.

Pebblebrook High School-Cobb County Center for Excellence in the Perf. Arts, Mableton, GA 30059

Performing Arts magnet school (CCCEPA) with particular emphasis in all facets of theatre, dance, music performance, production, etc., 1989 Graduate.

Representative Classes Qualified to Teach:

- Theatrical Design and Production
- Scenic Design
- Virtual Production
- Unreal Engine
- Responsible AI Use in Design and Creativity
- Projection Design/Media/Content Creation/Projection Mapping/Video and Audio editing and content creation
- Virtual (VR) and augmented (AR) for live performance, design and production.
- Sound Design/Digital Audio Recording, Engineering and Manipulation
- Lighting Design
- Architectural Styles/Theatre Architecture
- Drafting for the Theatre (Hand Drafting and CAD)
- Vectorworks, AutoCAD, Photoshop, and SketchUp
- Stagecraft / Stagecraft Lab/Technical Direction, Construction, Techniques, etc...
- Stage Combat
 - Rapier and Dagger and Single Sword
 - Broad Sword
 - Sword and Buckler
 - Quarterstaff
 - Unarmed and Firearms
- Introduction to the Theatre
- International Studies
 - Theatre in London

Grants and Research:

- CURI Research Grant Recipient 2021-*Virtual Production: Using VR/AR and digital tools to create and present performative work.*
- CURI Research Grant Recipient 2020-*Using Virtual and Augmented Reality to Aid in Visual Storytelling.*
- CURI Research Grant Recipient 2018-*Mapping the Minuscule: Using stop motion, traditional animation, and traditional projection mapping techniques to tell a story on a small scale.*
- CURI Research Grant Recipient 2017-*Integrating Film in Live Performance-* with Dona Freeman
- CURI Research Grant Recipient 2016-*Projection Mapping the Body and The World.*
- CURI Research Grant Recipient 2015-*Realtime Compositing and Video Effects in Live Performance.*

- CURI Research Grant Recipient 2014-*Alternative Trigger Devices and Sensors for Show Control in Live Performance*.
- CURI Research Grant Recipient 2013-*Digital Media Servers, Media Creation and Playback for Live Performance*

Juried or Peer Reviewed:

- United Scenic Artist 829 membership review, May 2022.
- KCATF response to *Songs for a New World* guest artist in media design St. Mary's University, March 2021.
- USITT Design Expo 2016-*Scenic and Projection Design for Oh What a Lovely War*.

Special Skills:

- Media and AV technology, Macintosh and Windows OS Platforms, Qlab, Isadora, MadMapper, Vectorworks, SketchUp, AutoCAD, Logic Pro, Sound Studio, Final Cut Pro, MS Office, I-Work, Adobe Creative Suite, Cinema 4D, and After Effects. Audio and Video on iOS devices. VR/AR equipment and technology, Unreal Engine. Microcontrollers, sensors, and Arduino.
- Specialty in building scale scenic models and custom acid etched GOBOs.
- Advanced Experience with video and data projection and projection mapping.
- Experience with 3D printing, laser cutting, CNC (ShopBot), and welding.
- Stage combat- Unarmed, Quarterstaff, Rapier and Dagger, Broadsword, Single Sword, Sword and Buckler, Firearms for the Stage.

Specialty Classes/Training:

Vectorworks 2025 Core Associate Certification- Online training certification in the core fundamentals of Vectorworks (2025).

Pixera Media Server Training- 3 days of onsite hands-on training at Pixera's corporate headquarters.

Dante Audio/Video Networking Certification Levels 1-3-Online training in installing, implementing, and using Dante AV networking software (2022).

LDI Master Class in Projection Design (2013)-Sponsored by Lighting Design International, this is a multi-day intensive workshop with top video and projection designers from around the world. Instructors include designers from the London Olympics, Super Bowl Halftime Show, and major theatrical and concert productions worldwide. Exploration of design and implementation of video and still imagery, animation, and lighting with current state-of-the-art technology.

Society of American Fight Directors (SAFD)-Successfully passed Skill Proficiency Test in single sword and quarterstaff. I completed the first SAFD Firearms safety training class.

Synergetic Audio Concepts- Sound Reinforcement for Operators (ETS-LDI 2005). A two-day hands-on seminar on Audio Theory, Components, hardware, Signal Flow, Microphones, and Audio System Troubleshooting.

University of Southern Mississippi- Architectural History, Contemporary British Theatre (4.5-week intensive study of British theatre in England, including tours of many historic theaters and architectural structures throughout England as well as attending theatrical production in many different and diverse venues), Drawing I, Lighting Design & Advanced Lighting Design, Script Analysis, Sound Engineering, Theatre History I & II, Brechtian Theatre, Bauhaus Design Techniques, Scenic Design, Design Studio, and Graduate Design Studio.

Jacksonville State University- AutoCAD for the Stage, Advanced AutoCAD, Sound Design for the Theatre, Stage Lighting I & II, Scenic Design, Scenic Painting, Stagecraft, Theatre History I & II, Acting I & II, Stage Combat & Movement, Drawing I & II, Water Color, B&W Photography, Design I & II, Directing, Voice Techniques for the Theatre, Basic Costume Construction, Costume History

Pebblebrook High School-CCCEPA- Rapier and Dagger and Broadsword for the theatre.
